**Headteacher**  
Mr G McMillan

Dear Parent/Carer

## Scientific Calculators for Maths

The use of a scientific calculator, in school and at home, is **essential** for any student (from S1 right up to S6) who ultimately aims to achieve a National 4, National 5 or Higher qualification in mathematics.

Whilst the maths department has its own stock of calculators, it is also essential that pupils have access to a calculator **of their own** to use when doing homework and revising. Unfortunately, calculators on mobile phones are not usually suitable for the types of calculations pupils will need to do, and are not allowed in exams.

**The maths department are delighted to be able to supply an ideal calculator (Casio fx-85GT) at the very reasonable price of £7.00.**

We have some calculators in stock now, and so can sell them to pupils immediately. If you would like to buy one, simply return the form below to your child's maths teacher, along with payment of £7. Payment can be either **cash**, or a **cheque** payable to 'Newbattle Community High School'.

Yours faithfully,

Mr D Watkins  
Principal Teacher (Maths and Numeracy)

---

Name of Pupil: \_\_\_\_\_ Homeroom: \_\_\_\_\_

I enclose **£7.00** cash / cheque for the supply of a scientific calculator  
(Please make cheques payable to "Newbattle Community High School")

Signed (Parent/Carer): \_\_\_\_\_ Date: \_\_\_\_\_
